

NSF507 OR NSF609

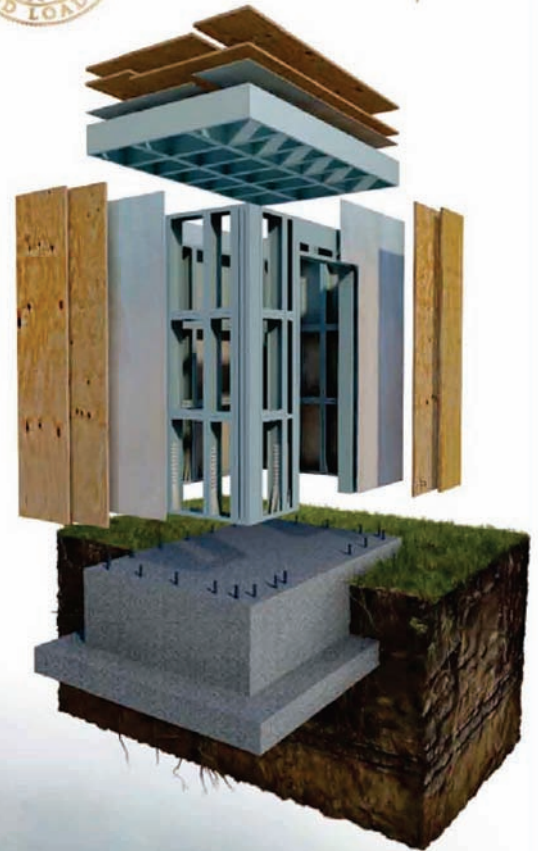

250 MPH WIND LOAD FREESTANDING SHELTER

The NUSAFE storm shelter is designed to withstand wind speeds up to 250mph. NUSAFE is your solution for keeping family and friends protected during nature's most violent storms. This storm shelter features

NUSAFE

Panel System designed to withstand windborne projectiles up to 150 mph. NUSAFE panels have been tested by a nationally recognized Wind Science and Engineering Research Center.
